- Certificate of Service

A copy of this filing will be sent via electronic mail to the web portal in the above-referenced docket. This submission contains WAC § 480-07-160 markings designating confidential and highly confidential information including trade secrets; other competitively sensitive documents pertaining to the costs over time of financing the construction; projected construction timelines, locations and details; private investor business and personally identifiable investments and information; detailed descriptions of network configuration and design, hardware, and software; projected financials; and company financing and organization information not available publicly. Redacted copies of all confidential and highly confidential documents will be filed as well.

Please contact us if you have any questions regarding this filing. Thank you.

Sincerely,

George Baker Thomson, Jr.
