RE: Telecom Act of 1996 Issues General - Rulemaking, Docket No. UT-990391

Dear Ms. Washburn:

On December 3, 1999, the Telecommunications Resellers Association (TRA), filed with the Commission a letter in response to the Commission's October 29, 1999 *Notice of Opportunity to Comment* in Docket No UT-990355, *In the Matter of the Implementation of Section 252(i) of the Telecommunications Act of 1996*. TRA's letter should have been submitted under the Commission's Telecommunications Act of 1996 General Rulemaking, Docket No. UT-990391.

TRA respectfully requests that its December 3, 1999 letter be incorporated into Docket No. UT-990391, accordingly. An amended letter reflecting the correct Docket No. is enclosed to replace TRA's December 3, 1999. As the corrected letter simply reflects the changed Docket No., TRA alternatively requests that its corrected letter be incorporated into the record and be considered timely filed. Thank you for your attention to this matter. Questions may be directed to the undersigned.

An electronic copy of this letter has been forwarded to the Commission's Record Center email address.

Sincerely,

Telecommunications Resellers Association

/s/ Andrew O. Isar
