Subject: Gasco Sediments Site Field Change Request Form 4

Hunter,

Attached for your review and approval please find Field Change Request Form 4 for the Gasco

GASCO0051564

Sediments Site Spring 2023 ISS lab pilot treatability study investigation. This change is associated with extension of unconfirmed compressive strength test durations and performance of additional Phase II testing at location ISSTS-004.

If you have any questions during your review, please contact Ryan Barth.
