**NOTICE OF PREHEARING CONFERENCE  
(May 5, 2003, at 1:30 p.m.)**

RE: *In the Matter of the Application of Qwest Corporation Regarding the Sale and Transfer of Qwest Dex to Dex Holdings, LLC, a non-affiliate, Docket No. UT-021120*

**TO ALL PARTIES:** Staff's Motion To Remove Confidentiality Designations from Testimony of Lee L. Selwyn and Glenn Blackmon is pending. The Commission has considered in chambers the motion, the answers, and the specific points of testimony that remain at issue. The Commission has several questions with respect to certain aspects of Qwest and Dex Holding's assertions that specific lines of testimony should be treated confidentially. These questions are best addressed in a prehearing conference during which all interested parties can express their views.

It appears, on polling the parties, that a conference at 1:30 p.m. on Monday, May 5, 2003, will satisfy our needs. Parties may participate in person, or by telephone. The conference will be convened in Room 206 at the Commission's offices; the Commission's teleconference bridge line (360-664-3846) will be available. Given the nature of the discussion, it will be most convenient if participation is limited to persons who have executed confidentiality agreements under the Protective Order. Please plan accordingly.

**NOTICE IS HEREBY GIVEN that the Commission will convene a prehearing conference in this proceeding on Monday, May 5, 2003, at 1:30 p.m., in room 206 and by teleconference at (360) 664-3846. The principal purpose of the conference is to hear argument and have discussion concerning Staff's pending motion to remove confidentiality designations from certain testimony. The Commission may conduct other business during the prehearing conference to promote an efficacious hearing process.**

Sincerely,

DENNIS J. MOSS
