On February 5, 1997, the Commission entered the Fourteenth Supplemental Order in Dockets UE-951270 and UE-960195 authorizing Puget Sound Energy (PSE), previously known as Puget Sound Power & Light Company, to file certain tariff revisions complying with the terms of that Order. On November 5, 1997, PSE filed with the Commission certain tariff revisions purporting to comply with the Commission's Order. However, the tariff revisions filed on that date referenced Schedule 100 and the PRAM which no longer exist. On November 26, 1997, the company withdrew the original filing and refiled the tariff revisions, deleting references to Schedule 100 and the PRAM.

The Commission finds that the tariff revisions filed by PSE on November 26, 1997, comply with the Commission's Fourteenth Supplemental Order in Dockets UE-951270 and UE-960195, and that the tariff revisions should be approved and become effective as filed.

ORDER

THE COMMISSION ORDERS That the tariff revisions filed November 26, 1997, by PSE in accordance with the Fourteenth Supplemental Order in this proceeding, which are attached and by this reference made a part of this Order as though fully set forth herein, shall become effective as filed, and that the rates, charges, and conditions set forth in the tariff revisions are specified as the rates, charges, and conditions to be applicable to service on and after January 1, 1998.

THE COMMISSION FURTHER ORDERS That jurisdiction is retained by the Commission to effectuate the provisions of this and prior Orders entered in this proceeding.

DATED at Olympia, Washington, and effective this 10th day of December, 1997.

STEVE McLELLAN, Secretary
