On February 5, 1997, the Commission entered the Fourteenth Supplemental Order in Dockets UE-951270 and UE-960195 authorizing Puget Sound Energy (PSE), previously known as Puget Sound Power & Light Company, to file certain tariff revisions complying with the terms of that Order. On October 30, 1998, PSE filed with the Commission certain tariff revisions under Advice No. 98040 - Electric Tariff Filing and Advice No. 98041 - Natural Gas Filing, purporting to comply with the Commission's Order.

The Commission finds that the tariff revisions filed by PSE under Advice No. 98040 - Electric Tariff Filing and Advice No. 98041 - Natural Gas Filing on October 30, 1998, comply with the Commission's Fourteenth Supplemental Order in Dockets UE-951270 and UE-960195, and that the tariff revisions should be approved and become effective as filed.

\* On December 31, 1997, the Commission issued Order Accepting Stipulation to Mitigate Penalties which should have been denominated as Nineteenth Supplemental Order under these dockets.

**ORDER**

THE COMMISSION ORDERS That the tariff revisions filed October 30, 1998, by PSE in accordance with the Fourteenth Supplemental Order in this proceeding, which are attached and by this reference made a part of this Order as though fully set forth herein, shall become effective as filed, and that the rates, charges, and conditions set forth in the tariff revisions are specified as the rates, charges, and conditions to be applicable to service on and after January 1, 1999.

THE COMMISSION FURTHER ORDERS That jurisdiction is retained by the Commission to effectuate the provisions of this and prior Orders entered in this proceeding.

DATED at Olympia, Washington, and effective this *17<sup>th</sup>* day of December, 1998.

  
CAROLE WASHBURN, Secretary
