

Exhibit MDP-19

Frontier/Verizon Interrogatory Response No. 10

Docket No. UT-090842
Verizon Responses to Comcast Data Requests Nos. 1-57
August 13, 2009

DATA REQUEST NO. 10:

Does Frontier intend to permit interconnection agreements between Verizon Northwest Inc. and competing carriers to remain effective after the Transaction is completed if the initial term of those agreements has expired and the parties are currently operating under those agreements? If so, for how long?

Response:

Applicants assert Objection Nos. 3, 7, 9, and 10. Subject to and without waiver of its objections, Frontier responds as follows:

Frontier will assume and honor all obligations under Verizon's interconnection agreements and other wholesale arrangements that are in place at the time of closing. For contracts that have expired and the parties are continuing to operate under those agreements, Frontier will follow the applicable terms of the agreement with respect to termination and/or extension.
