**NOTICE SUSPENDING PROCEDURAL SCHEDULE**

Re: William Stuth and Aqua Test, Inc.  
Petition for Declaratory Order, Docket A-050528

TO ALL PARTIES:

On May 9, 2006, Petitioners and Commission Staff filed a joint stipulation and proposal for an order dismissing the petition for declaratory order without prejudice. The Commission will consider the proposal consistent with WAC 480-07-700.

**NOTICE IS GIVEN That the procedural schedule is suspended pending action on the stipulation and proposed order. The parties may waive entry of an initial order and ask that the issues presented by the stipulation be decided directly by the Commissioners. To do so, both parties must file a letter waiving the initial order on or before May 18, 2006.**

Sincerely,

C. ROBERT WALLIS
