Re: **DOCKET NO. UT-151501 UNIVERSAL SERVICE  
COMMUNICATIONS PROGRAM** – Petition for eligibility of Inland  
Telephone Company to receive support

Dear Mr. King:

Pursuant to WAC 480-123-110, Inland Telephone Company (“Company”) has submitted to the Washington Utilities and Transportation Commission (“Commission”) its petition for eligibility to receive program support from the State Universal Service Communications Program. Commission staff has informed Company that Exhibits 7 and 8 were missing from the E-file previously submitted. As Exhibits 7 and 8 were included as a single file that also included Exhibit 9, we are enclosing in this filing, all three exhibits as individual files for inclusion with the Company’s petition in Docket No. UT-151501.

If you should have any questions or need further information, please call me at (509) 649-2211.

Sincerely,

  
James K. Brooks  
Treasurer/Controller
