**RE: UG-151776 - NW Natural's 2016 Integrated Resource Plan
ERRATA FILING – DO NOT REDOCKET**

NW Natural Gas, dba NW Natural (“NW Natural” or the “Company”), herein files a correction to the Integrated Resource Plan in the above-referenced docket originally filed on August 26, 2016. The errata changes the language on page 1.16 to read “from \$5,275 million to \$5,293 million” rather than “from \$5,275 million to \$5.293 million.”

Please contact me should you have questions or require additional information.

Sincerely,

/s/ Gail Hammer
