**RE: Notice of Intent to Send to Collections, Penalty Assessment No. TV-170205**

Dear Sir or Madam:

As you are aware, on May 22, 2017, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Iron Man Movers and Storage, Inc. in the amount of \$15,900 for violations of WAC 480-15, which governs the regulation of household goods carriers. On July 12, 2017, the Commission issued Order 01 Denying Mitigation and Imposing and Suspending Penalties on condition. Payment arrangements were made with the Commission for the unsuspended portion of the penalty, \$10,500. The Commission sent you a Final Notice dated September 13, 2017, indicating that the balance of \$10,500 was due.

The Commission has not received the \$10,500 payment due and owing.

**This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$10,500 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

SALLY BROWN  
Senior Assistant Attorney General
