Item 40 -- Material Requiring Special Equipment, Precautions, or Disposal

Transportation of solid waste requiring special equipment or precautions in handling or disposal will be subject to time rates named in Item 160, or to other specific rates contained in this tariff.

Companies must make every effort to be aware of the commodities that require special handling at the disposal sites named in the company's tariffs. The company shall maintain a list of those commodities and make it available for public inspection at the company's office.

Item 45 -- Material Requiring Special Testing and/or Analysis

When a solid waste collection company or disposal facility determines that testing and/or analysis of solid waste is required to determine whether dangerous or prohibited substances are present, the actual cost for such testing and/or analysis will be paid by the customer. The company must provide the customer with a copy of any bill or invoice for costs incurred for testing and/or analysis and also must retain a copy in the company's file for at least three years. Those costs shall be passed through to the customer without markup. The company must maintain records of time spent to accomplish the special testing and/or analysis, and may bill the customer for that time under the provisions of Item 160 (Time Rates).

Item 50 -- Returned Check/Credit Card Charges

Returned Check/Credit Card Charge. If a customer pays with a check or credit card, and the customer's financial institution refuses to honor that check, the customer will be assessed a return check charge in the amount of \$20.46 (A).

Item 100 -- Residential Service -- Monthly Rates (continued)

Yard waste service provisions shown apply only in the following service area: Thurston County

Following is a description of the yard waste program (type of containers, frequency, etc.). Program provided in accordance with Ordinance No. _____ of Thurston County.

Voluntary curbside yardwaste service provided in areas defined by Thurston County as Urban Zones. Regular scheduled service every other week.

Voluntary curbside bi-weekly service in company provided 90-gallon container. Yard waste shall be understood to mean material which consists of leaves, brush, tree trimmings, grass clippings, weeds, shrubs, garden waste from vegetable gardens, and other compostable organic materials resulting from landscape pruning and maintenance as generated from residences. Branches and roots must be smaller than 4 inches in diameter. Branches and brush must be of a length to fit within the closed container. Household organic waste will also be accepted to include produce, baked goods, meat, bones, feathers, waxed cardboard, food soiled cardboard and paper. Organic waste does not include stumps, demolition wood, large amounts of dirt, rocks, glass, plastic, metal, concrete, sheetrock, asphalt or any other non-organic land clearing.

If yardwaste container is found to be contaminated with disallowed materials, the container will not be accepted as yardwaste collected and charged for at solid waste rates.

Redelivery: Any customer who stops and resumes service within a 12 month period will be charged a redelivery fee.

Extra: Any material not entirely contained within the closed container, charged in 32 gallon units.

Item 160 -- Time Rates

When time rates apply. Time rates named in this Item apply:

- (a) When material must be taken to a special site for disposal;
- (b) When a company's equipment must wait at, or return to, a customer's site to provide scheduled service due to no disability, fault, or negligence on the part of the company. Actual waiting time or time taken in returning to the site will be charged for; or
- (c) When a customer orders a single, special, or emergency pickup, or when other items in this tariff refer to this Item.

How rates are recorded and charged. Time must be recorded and charged for to the nearest increment of 15 minutes. Time rates apply for the period from the time the company's vehicle leaves the company's terminal until it returns to the terminal, excluding interruptions. An interruption is a situation causing stoppage of service that is in the control of the company and not in the control of the customer. Examples include: coffee breaks, lunch breaks, breakdown of equipment, and similar occurrences.

Disposal fees in addition to time rates. Item 230 disposal fees for the specific disposal site or facility used will apply in addition to time rates.
