Re: Docket No. UT-960354
Request for Approval of Amendment to the Interconnection Agreement between
Qwest Corporation and International Telcom, Ltd.

Dear Ms. Washburn:

In accordance with WAC 480-07-640, Qwest submits an original and two (2) copies of the following amendment for Commission approval: Unbundled Network Elements (UNE) Combinations Amendment to the Interconnection Agreement between Qwest Corporation ("Qwest") and International Telcom, Ltd. This amendment replaces Amendment No. 2 (approved from the Commission on July 31, 2000) in its entirety and adds terms, conditions and rates for unbundled network element combinations.

The enclosed Amendment does not discriminate against non-party carriers. It is consistent with state and federal law, and is in the public interest.

Qwest respectfully requests that the Commission approve this Amendment expeditiously.

Sincerely,

Elizabeth M. Weber
