

**EP Data Request 3**

Please calculate the total number of PPL customers who received either LIHEAP or LIBA benefits during the test year. In making this calculation, please count customers who receive both LIHEAP and LIBA only once (hereinafter referred to as PPL's "low-income customer proxy group").

**1<sup>st</sup> Revised Response to EP Data Request 3**

The Company's original response to EP Data Request 3, dated May 24, 2013, included an error. The following revised response replaces the original response, in its entirety.

8,178 residential customers received either LIHEAP or LIBA benefits during the test year.
