RE: *Puget Sound Energy General Rate Case*
Dockets UE-170033 and UG-170034

Dear Mr. King:

On December 5, 2017, the Commission entered Final Order 08 in Dockets UE-170033 and UG-170034, which authorized the Company to provide updated tariff sheets for multiple schedules. On December 11, 2017, Puget Sound Energy submitted a compliance filing with the affected tariff schedules. Staff has reviewed the filing and the tariff revisions comply fully with the Commission's Order. The revised tariff effective date is December 19, 2017.

Sincerely,

ANDREW J. O'CONNELL
Assistant Attorney General
