**Pacific Power General Rate Case**

**STAFF DATA REQUEST NO. 071**

**WUTC Data Request 71**

**Re: IHS Global Insight Escalation, Adjustment 4.13:** Please reconcile and explain the differences between data shown in the column labeled "2013" in PacifiCorp's 1<sup>st</sup> supplemental Response to WUTC Staff Data Request No. 16 dated August 12, 2014 and PacifiCorp's witness Natasha C. Siores, Exhibit No. \_\_\_ (NCS-8C).

**Response to WUTC Data Request 71**

The difference between the direct testimony of Ms. Natasha C. Siores and the information provided in PacifiCorp's supplemental response to WUTC Data Request 16 is due to the difference in the base year used to index the inflation data by IHS Global Insight and the base year used to index data in this case.

The data shown in the column labeled "2013" in PacifiCorp's 1<sup>st</sup> supplemental response to WUTC Data Request 16 is based on an index of 2012 = 1.000. The data shown in the column labeled "2013" in Exhibit NCS-8C to the direct testimony of Natasha C. Siores, is based on an index of 1992 = 1.000.

Please refer to Confidential Attachment WUTC 71 which is the same data as PacifiCorp's 1<sup>st</sup> supplemental response to WUTC Data Request 16 with an index of 1992 = 1.000.

Confidential information is provided subject to the terms and conditions of the protective order in this proceeding.
