Re: *WUTC v. PSE, Inc.*, Power Cost Only Rate Review
Docket No. UE-031725

Dear Ms. Washburn:

On February 17, 2004, Commission Staff filed revised pages to the testimony and exhibits of Thomas Schooley and James Russell. Our filing inadvertently included page 15 of Mr. Schooley's testimony when, in fact, there were no revisions to that page. Please disregard that page of yesterday's filing and utilize the original page 15 that was filed on January 30, 2004.

However, the correction to Mr. Schooley's Tenaska adjustment calculation does necessitate additional revisions which were overlooked in yesterday's filing. In that regard, please find the original and 17 copies of the following revised pages of the Staff direct case:

Testimony of Thomas E. Schooley, revised pages 14C, 16C and 18
Exhibit __ (TES-5C)
Exhibit __ (TES-6C)

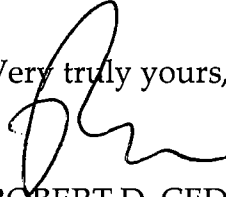

February 18, 2004
Page 2

Please substitute these revised pages for the corresponding pages in the original filing.

I apologize for any inconvenience in this matter. Please contact me if there are any questions concerning this filing.

Very truly yours,
