7 JUDGE MOSS: All right. Let's be on the record.

8 Good afternoon, everyone. My name is Dennis Moss. I'm an  
9 administrative law judge with the Washington Utilities and  
10 Transportation Commission.

11 We are convened this afternoon in Pullman,  
12 Washington for the purposes of a public comment hearing in  
13 the matter styled WUTC against Avista, Docket UE-110876 and  
14 UG-110877, consolidated.

15 This is a general rate proceeding for Avista. The  
16 purpose of our public comment sessions is to take comments  
17 from members of the public, typically rate payers of the  
18 company.

19 And I understand from our consumer affairs support  
20 team here that we don't have any such people present in the  
21 hearing room. And I would ask at this time if there is  
22 anyone present in the hearing room and wishes to comment  
23 today. And I don't include parties in that.

24 Apparently there is not. So with that, I  
25 appreciate -- did you wish to have any words, Chairman

1 Goltz?

2 CHAIRMAN GOLTZ: No, I think that sums it up.

3 JUDGE MOSS: I'll say that I appreciate very much  
4 everyone driving out here today. I personally enjoyed the  
5 lovely scenery that is unfamiliar to me. And so that was  
6 the bonus at least I'll take away from today's experience.  
7 Thank you very much. And with that, we'll be adjourned.

8 (The proceedings were concluded at 12:06 PM.)
