Dear Ms. Washburn:

Subject: **CONTRACT NO. 1303ICB**

Verizon Northwest Inc. submits for filing Contract No. 1303ICB. This is a new customer specific contract to provide Direct Inward Dialing (DID) Numbers for a term of twenty-four (24) months. Direct Inward Dialing Service includes the central office equipment necessary for in-dialing from the exchange and toll network directly to the stations associated with a Private Branch Exchange, Automatic Call Distribution system or Telephone Answering Service. Direct Inward Dialing (DID) Numbers are provided in a block of ten thousand numbers at the request of the customer. These numbers are to be used for inward calling only.

Verizon submits the documentation required in Section 5 of WAC 480-80-142 as an attachment to this contract filing. Verizon considers the contract to be confidential and protected under the provisions of WAC 480-07-160. This contract is marked "confidential per WAC 480-07-160". The customer may be harmed if this information is not considered confidential.

This service is being offered on a contract basis because the quantity of numbers requested by the customer is not available under the tariff.

The company requests an effective date of May 26, 2005. I can be reached at (425) 261-6380 if there are questions.

Very truly yours,

Lin Fogg
Specialist - Public Policy Affairs and Communications
