NOTICE OF CONTINUANCE OF ALL PROCEDURAL DATES

Re: *Network Essentials, Ltd v. Grant County Public Utility District*,
Docket No. UT-051602; *Bigdam.net v. Grant County Public Utility District*,
Docket No. UT-051742 (*consolidated*)

TO ALL PARTIES:

Respondent Grant County Public Utility District (PUD) filed on February 21, 2006, a request for a 30 day continuance. All parties agree to the continuance.

The PUD's request states that the parties engaged in mediation February 14 and 15, 2006, with Administrative Law Judge C. Robert Wallis acting as mediator. The parties agreed to additional good faith efforts to engage in a constructive dialogue to resolve their disputes. They request this continuance to provide an opportunity for such discussions to continue without the distraction and expense of meeting impending filing dates in the current procedural schedule.

WAC 480-07-385 provides that the Commission will grant a timely request for continuance to which all parties agree unless it would be inconsistent with the public interest or the Commission's administrative needs. The Commission finds good cause for the requested continuance to be granted.

The Commission gives notice that the procedural schedule in this proceeding is continued for 30 days. The revised procedural schedule is attached.

Sincerely,

DENNIS J. MOSS
Administrative Law Judge

Docket Nos. UT-051602 and UT-051742 (*consolidated*)
