**NOTICE OF CONTINUANCE OF DEADLINE TO FILE JOINT ISSUES LIST
(To Wednesday, May 7, 2008)**

RE: *Petition of Intelligent Community Services, Inc. for Designation as Eligible
Telecommunications Carrier Under 47 U.S.C. § 214(e)(2),
Docket UT-053041*

TO ALL PARTIES:

On April 24, 2008, the Washington Utilities and Transportation Commission (Commission) entered Order 01, a prehearing conference order in this proceeding. Order 01 established a procedural schedule for the proceeding, including a deadline of today, May 2, 2008 for filing a joint issues list.

On Thursday, May 1, 2008, counsel for Intelligent Community Services, Inc. (ICS) requested by telephone, on behalf of all parties, that the date for filing a joint issues list be continued from today until Wednesday, May 7, 2008. Counsel also requested that the deadline for the Commission to identify any additional issues be continued from Friday, May 9, to a date convenient to the Commission. Counsel for Commission Staff filed a letter with the Commission today, formally requesting the continuance of the deadline to file a joint issues list.

The Commission will grant a continuance pursuant to WAC 480-07-385(2) if the requesting party demonstrates good cause for the continuance and the continuance will not prejudice any party or the Commission. The parties state good cause for the continuance in their joint request and granting the continuance should not prejudice any party or the Commission. Accordingly, the request should be granted.

NOTICE IS GIVEN That the deadline for filing a joint issues list in this matter is continued to Wednesday, May 7, 2008, and the deadline for the Commission to notify parties of additional issues is continued to Monday, May 12.

Sincerely,

ANN E. RENDAHL
Administrative Law Judge
