- 1 The Administrative Law Judge entered Order 01—Initial Order Approving and Adopting Settlement Agreement in this matter on February 1, 2007. RCW 80.01.060(3), as amended in the 2006 legislative session, provides that an initial order will become final without further commission action if no party seeks administrative review of the initial order and if the commission fails to exercise administrative review on its own motion.
  
- 2 The commission by this notice advises the parties that it does not intend to exercise administrative review of the initial order. Parties may waive the right to seek administrative review before the end of the petition for administrative review period.

Sincerely,

CAROLE J. WASHBURN
