**NOTICE REVISING PROCEDURAL SCHEDULE**

Re: *Washington Utilities and Transportation Commission v. Waste Management of Washington, Inc.*, Dockets TG-111813, TG-111814, and TG-111815  
(consolidated)

TO ALL PARTIES:

On February 8, 2012, the Washington Utilities and Transportation Commission (Commission) entered Orders 04 and 05, Prehearing Conference Order, in the above-referenced matters establishing a procedural schedule.

On June 7, 2012, counsel for Waste Management of Washington, Inc. (Waste Management or Company) filed with the Commission, on behalf of the Company and Commission Staff (Staff), a joint request to amend the procedural schedule in this proceeding. Waste Management and Staff request the following revised procedural schedule:

	<u>Prior Deadline</u>	<u>New Deadline</u>
Simultaneous Initial Briefs	June 15, 2012	August 24, 2012
Simultaneous Reply Briefs	June 25, 2012	September 7, 2012

In conjunction with this request, Waste Management states that it intends to file a motion requesting an extension of the terms of the existing Revenue Sharing Plans (Plans) with Snohomish and King Counties. The Company further states that it will be separately filing amendments to the current Plans identifying the activities that will be perpetuated during the extension period, along with a budget for those activities. The Commission will address this motion and any amendments to the current Plans after they are filed.

The Commission finds that Waste Management and Staff have demonstrated good cause to extend the filing deadlines and grants the request.

**PLEASE TAKE NOTICE That the Commission grants the joint request of Waste Management and Staff for an amendment to the procedural schedule and adopts the revised procedural schedule they propose as indicated above.**

Sincerely,

GREGORY J. KOPTA
