NOTICE SHORTENING DISCOVERY RESPONSE TIME

Re: *Walla Walla Country Club v. Pacific Power & Light Company*,
Docket UE-143932

TO ALL PARTIES:

On January 20, 2015, the Washington Utilities and Transportation Commission (Commission) convened a prehearing conference in this docket to determine the scope of the issues to be presented and adopt a procedural schedule. On January 21, 2015, the Commission issued Order 01, Prehearing Conference Order; Notice of Hearing. That order, however, did not include the parties' agreement during the prehearing conference to shorten the data request response time to seven calendar days beginning August 4, 2015.

The Commission hereby notifies the parties that it approves and adopts this agreement. Beginning August 4, 2015, responses to data requests propounded in this proceeding are due within seven calendar days of service.
