

Exhibit 1 Supplement 2

2020 Measure Counts Highlights by Program and Fuel Type

- All figures are intended to provide a perspective of scale and program scope; most are rounded. They aren't intended to be a precise measure count.
- Key counts below may represent either customers, projects, dwellings, or measures reported.
- Since it isn't possible to provide a representation of every measure, selected representative measures are indicated. PSE provides more comprehensive measures counts in the Annual Report program discussions.
- It is important to note that "Dwelling units receiving measures" figures represent homes, apartments, condominiums, mobile homes, etc. that reported *some* energy efficiency measure.
- In some cases "measure count" only represents the measure name, rather than each individual measure installed. For instance, "LED lamp" in Commercial Lighting may represent a single lamp or 100 of the same lamp.

Schedule	Programs	Electric		Gas		Projects with Both Electric & Gas Measures	
		Key Measure Type	Units	Key Measure Type	Units	Key Measure Type	Units
(Excluded from the electric-only or gas-only counts)							
E/G 201	Low Income Weatherization	EE projects receiving at least one electric measure	400	EE projects receiving at least one gas measure	90		
E/G 214	Single Family Existing	Number of efficiency measures		(Excludes Thank You kits. Other Channels also install LED lamps. Those details are presented in each program discussion.)			
	Residential EE Lighting Rebate	Fixtures and Lamps	1,400,700				
	Space Heat	Air-Source Heat Pumps	1,400	Furnaces	5,600		
	Water Heat	Ductless Heat Pumps	1,400	Fireplaces	900		
	Home Energy Assessments	Heat Pump Water Heaters	360	Tankless Water Heater	900		
	Home Appliances	Homes assessed	2,600	Homes Assessed	2,700		
	Controls	Clothes Washers	1,700				
	Showerheads	Clothes Dryers	3,000				
	Weatherization (Homes heated with)	Smart Thermostats	100				
	Home Energy Reports	Electric showerheads	1,600	Natural gas showerheads	31,000		
		Electricity, square feet of air sealing:	445,400 sf	Natural gas, receiving an insulation/sealing measure:	2,000 homes		
		Electricity, square feet of windows:	74,500 sf	Natural gas, receiving a window measure:	8,400 windows		
		Customers receiving reports	280,000	Customers receiving reports	81,000		
E/G 217	Multi Family Retrofit	Dwelling units receiving electric measures	13,495: 269 projects	Dwelling units receiving gas measures	280: 15 projects	Dwelling units receiving both gas and electric measures	477: 5 projects
E/G 218	Multi Family New Construction	Dwelling units receiving electric measures	1,236: 15 projects	Dwelling units receiving gas measures	757: 4 projects	Dwelling units receiving both gas and electric measures	3,025: 16 projects

Schedule	Programs	Electric		Gas		Projects with Both Electric & Gas Measures	
		Key Measure Type	Units	Key Measure Type	Units	Key Measure Type	Units
E/G 250	C/I Retrofit	Projects	55	Projects	35	Projects with electric AND gas	11
	Industrial Systems Optimization Program	Projects	7				
	Custom Lighting Grants	Projects, including street lighting	625				
E/G 251	C/I New Construction	Projects	40	Projects	2	Projects with electric AND gas	8
E/G 253	Commercial Strategic Energy Management	Projects	18	Projects	3	Projects with electric AND gas	4
E 258	Large Power User - Self Directed	Total Projects	61				
		Custom Lighting Measure Types	27	NOTE: Measure Types may include an array of individual measures. There is usually an array of different measure types associated with projects.			
		HVAC Measure Types	12				
E/G 262	Business Rebates	Commercial Kitchens		Commercial Kitchens			
		Ovens	40	Fryers	120		
		Dishwashers	3	Ovens	70	Dishwashers with dual savings	1
		Small Business Direct Install		Small Business Direct Install			
		LED lamps	8,600				
		Linear fixtures	21,000				
		Fixtures	4,100				
		Commercial HVAC					
		Heat Pump	70			Measures with dual savings	7
		Smart Thermostat	3			Measures with dual savings	120
		Ventilation	90				
		Commercial Midstream					
		Heat Pump	250				
		Air Conditioner	250				
		Water heater	420				
		Lighting to Go					
		TLEDs	78,000				
		LED Retrofit Kits	43,000				
		LED lamps	45,000				
Customer Engagement							
	Energy Advisors					Number of customer phone calls	42,400
	Events					Number of event participation	66
Customer Web Experience							
	Customer Online Experience					"Savings and Energy Center" visits	1.23 million
						PSE digital account Energy Center tools	over 1.2 million
						Recommended Energy Professional information	nearly 50,000
