Dear Mr. Bagby,

On January 25, 2019, Utilities and Transportation Commission (Commission) staff completed a routine safety investigation of Blessed Limousine, Inc. (Blessed Limousine), which resulted in a safety fitness rating of "Conditional." On August 7, 2019, Blessed Limousine submitted a request to upgrade its safety rating based on corrective action that it has taken to come into compliance with the Washington Administrative Code and the U.S. Federal Motor Carrier Safety Regulations.

After reviewing the request, the company's safety management plan, and the evidence submitted, your request is granted. Effective immediately, Blessed Limousine's safety rating is hereby upgraded to "Satisfactory."

Please continue your efforts to remain in compliance with state and federal regulations. Should you have any compliance questions, please feel free to contact Jason Sharp, Motor Carrier Safety Supervisor, Transportation Safety, at (360) 664-1238 or by email at jason.sharp@utc.wa.gov.
