Re: Inland Telephone Company (Prescott Telephone & Telegraph
Company) – Third Revision of Sheet No. 386 Canceling Second
Revision of Sheet No. 386

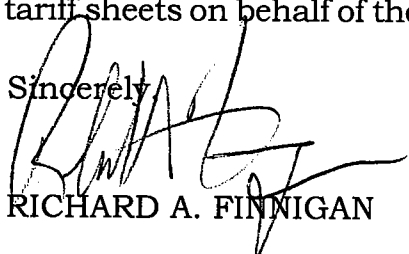

Dear Ms. Washburn:

Enclosed you will find the original and three copies of the above-referenced tariff sheet. The purpose of this change is to modify the service area map for Inland Telephone Company for its Roslyn Exchange Area. Attached hereto are two sheets that provide the legal description for the boundary change additions and removals.

The boundary change additions are for land that is unserved by any telephone company at the present time. The boundary change removals are for an area that comprises the Suncadia Resort. The Suncadia Resort has determined that it will provide service to the Resort on its own and will not seek service from Inland Telephone Company.

The undersigned has authority to file tariff sheets on behalf of the Company.

Sincerely,

RICHARD A. FINNIGAN
