*Integra Telecom of WA, Inc.'s Response to Frontier Data Request No. 5,
Confidential Attachment 5A: Services Integra Offers by Frontier Wire Center*

April 25, 2013

CONFIDENTIAL PER PROTECTIVE ORDER

FRONTIER DATA REQUEST NO. 5. Re: Services Provided. For each entity identified in the response to Data Request No. 3 that operates in the state of Washington, including if applicable Integra, identify and describe each and every one of the Services it provides in the state of Washington

RESPONSE: Integra objects to this question on the grounds that it is unclear, overly broad in that it seeks information outside of the Frontier territory in Washington, and seeks information for Services for which Frontier is not seeking competitive classification and are not relevant to this case. Without waiving its objection Integra responds as follows: Integra does not distinguish the services it offers based upon the individual entities doing business in the state of Washington. See the response to Frontier Data Request's No. 2 for a list of the entities doing business in Washington and Frontier Data Request No. 4 for a list of the services provided. See also Confidential Attachment 5A-Confidential for a list of Services Integra offers by Frontier Wire Center.
