Subject: RE: Decoupling procedural schedule

Judge Friedlander,

NWEC proposes the following schedule:

January 9, 2012	NWEC Direct Testimony
February 24, 2012	Responsive Testimony of Parties
Time for response to data requests shortened to 7 business days	
March 1, 2012	Settlement Conference
March 28, 2012	NWEC Rebuttal/Cross-Answering Testimony of Parties
Time for responses to data requests shortened to 5 business days	
April 24-25, 2012	Hearings
May 15, 2012	Briefs

Avisa, WUTC Staff, ICNU, and the Energy Project have indicated that this schedule is acceptable to them.

Public Counsel has indicated that it “will not oppose the proposed schedule, but will also not be affirmatively supporting it.”

Thank you,

Amanda
