Geographic Scope of Services Provided*

April 25, 2013

Docket No. UT-121994
Charter Responses to Frontier Data Request Nos. 1-50

FRONTIER DATA REQUEST NO. 12.

Re: Geographic Scope of Services Provided

For any Affiliate of Charter Fiberlink providing any of the Services in Washington identify each Frontier wire center in which Charter Fiberlink offers or provides Services and list the specific services and products provided in each Frontier wire center.

Objection: As stated in General Objection No. 8 above, information regarding Charter's cable TV and video services "are not related to Washington intrastate operations subject to the jurisdiction of the Commission and are not the subject of this proceeding", and therefore Charter objects to this portion of the Request as irrelevant, overly broad, unduly burdensome, and oppressive.

Response: Subject to the general and specific objections stated herein, Charter Advanced Services (WA), LLC provides interconnected VoIP service in the following four Frontier wire centers:

1. Benton City
2. Kennewick
3. Richland
4. Wenatchee

Respondent: Betty J. Sanders, Director, Regulatory Affairs
