Re: *Roman Solutions, LLC d/b/a Rocket Transportation - Application for Bus Certificate*
Docket No. TC-061847

Dear Ms. Washburn:

Commission Staff, with the understanding that a full settlement has been filed in this docket with a supporting memorandum, gives notice that it will not be presenting a live witness or any cross-examination exhibits at any hearing on the settlement or uncontested application. Commission Staff further gives notice that it intends to file a declaration concerning Staff's review of the application and the agreement, prior to any hearing or Commission decision on the matter.

Commission Staff supports the agreement and the memorandum the parties have filed. Staff further adds that the agreement is in the public interest because it avoids the time and expense of a contested hearing, in which Staff would have actively participated.

In light of the settlement documents filed, Commission Staff also respectfully requests that the Commission communicate to all parties its preferred process for consideration of the settlement and the application.

Sincerely,

MICHAEL A. FASSIO
Assistant Attorney General
