Re: Docket No. TG-130938
Waste Management of Washington, Inc., d/b/a Waste Management –
North Sound (G-237)

Dear Mr. King:

Waste Management of Washington, Inc. (Waste Management), and Commission Staff continue to negotiate a resolution of the issues arising from the suspended tariff filing in the above-referenced docket. To provide the parties with additional time for these negotiations before the Commission initiates an adjudication, Waste Management agrees to waive the statutory suspension period of ten months that is provided for under RCW 81.04.130, for an additional month.

Please let me know if you have any questions regarding this waiver. And thank you for your consideration of this matter.

Sincerely,

SUMMIT LAW GROUP PLLC
