ERRATA TO ORDER 01

RE: *In the Matter of Puget Sound Energy, Renewable Energy Target Progress Report under RCW 19.285.070 and WAC 480-109-210, Docket UE-210411*

TO ALL PARTIES:

On August 12, 2021, the Washington Utilities and Transportation Commission (Commission) entered Order 01, Approving Compliance with Eligible Renewable Energy Target Reporting Requirements for 2021 (Order 01) in the above-referenced docket. It came to the Commission's attention that Order 01 contained an error. Paragraph 21 erroneously stated the figure for Puget Sound Energy's renewable energy target for 2021. The correct figure is 3,069,109. Accordingly, paragraph 21 is corrected to read as follows:

After reviewing PSE's Petition and RPS Report and giving due consideration to all relevant matters and for good cause shown, the Commission accepts PSE's calculation of 3,069,109 MWh as the Company's renewable energy target for 2021 and adopts Staff's recommendations as set forth in paragraph 10 of this Order.
