RE: *Washington Utilities and Transportation Commission v. Avista Corporation,*
d/b/a Avista Utilities, Dockets UE-070804/UG-070805/UE-070311

TO ALL PARTIES:

The Commission entered its Order 05 Rejecting Tariff Sheets; Approving and Adopting Settlement Stipulation; and Requiring Compliance Filing in Docket UE-070804/UG-070805 on December 19, 2007. The order, among other things, rejected a tariff proposal by Avista Utilities, but required the Company to file tariff sheets consistent with its terms. The Commission authorized its Executive Secretary to approve the compliance filing by letter if Avista Utilities satisfied the terms of the order.

On December 20, 2007, Avista Utilities filed tariff sheets as specified in the order. A list of the tariff sheets is attached to this letter. The Commission has examined the filing and it appears to comply with the terms of the order.

Therefore, pursuant to terms of the Commission's Order 05 in this proceeding, the tariff sheets indicated on the attachment to this letter will become effective, as filed, on January 1, 2008.

Sincerely,

CAROLE J. WASHBURN
Executive Secretary
