Frontier Responses to UTC Staff Data Requests Nos. 1-82
March 1, 2013

UTC STAFF DATA REQUEST NO. 17:

Re: Interconnection agreements (ICAs)

In the Gipson Declaration, Mr. Gipson provided a list (Exhibit 1) of interconnection agreements (ICAs) that Frontier has entered into with CLECs. In regards to this list, please provide the following:

- a. The applicable docket number for each ICA identified in Exhibit 1;
- b. Whether the ICA is still in effect;
- c. Whether the ICA has been reassigned to another company, and if so, please identify the company;
- d. Whether the ICA has an evergreen clause; and
- e. Which ICAs (if any) are about to expire, and if so, whether the parties are in negotiations.

Response: In addition to its general objections Frontier objects to this request as unduly burdensome and on the basis that the request for information is equally, if not more, readily available to the Commission Staff as the Commission has the ICA filings and docket number. See attachment WA StaffSet1 FTR17_ICAs for the above information.
