Docket No. UT-121994

Frontier Responses to UTC Staff Data Requests Nos. 1-82

March 1, 2013

**UTC STAFF DATA REQUEST NO. 12:**

**Re: Business Service – Contract Customers**

Please provide a list of contracts for telecommunications services that Frontier has entered into for the benefit of end-users in the state of Washington. Please summarize what Frontier believes to be the reasons that each contract was entered into. Please include the names of the customers served under each contract, and identify the service(s) and locations/wire centers where the services are or were provided.

**Response:** A list of individual case basis (ICB) contracts Frontier has entered into and filed with the Commission are listed in attachment WA StaffSet1 FTR12\_ICBs – Confidential and/or Redacted versions are attached. Customers will enter into ICB contracts for myriad reasons, including issues relating to special terms, conditions and pricing.
