RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy,*
Docket UE-170033 & UG-170034 (*Consolidated*)

TO ALL PARTIES:

On December 5, 2017, the Washington Utilities and Transportation Commission (Commission) entered Order 08, Final Order Rejecting Tariff Sheets; Approving and Adopting Settlement Stipulation; Resolving Contested Issues; and Authorizing and Requiring Compliance Filing (Order 08). Order 08, among other things, required Puget Sound Energy (PSE or Company) to provide the Commission annual reports regarding decommissioning and remediation (D&R) activities and costs for the Colstrip Generation Facility (Colstrip) no later than December 1 of each year.

On July 8, 2020, the Commission entered Final Order 08/05/03, Rejecting Tariff Sheets; Authorizing and Requiring Compliance Filing (GRC Final Order) in PSE's 2019 general rate case, Dockets UE-190529 & UG-190530, which, among other things, expanded the D&R reporting requirements to include actual expenditures.

On December 1, 2020, PSE filed its annual Colstrip report (D&R Report).

On April 26, 2021, Commission staff (Staff) filed a letter stating that Staff had reviewed the D&R Report and believes that it complies with the reporting requirements specified in Order 08 and Final Order 08 from Dockets UE-190529 & UG-190530.

The Commission has reviewed the D&R Report and acknowledges that it complies with the requirements of Order 08 and the GRC Final Order.
