HIGHLY CONFIDENTIAL PER PROTECTIVE ORDER

**Staff Data Request No. 2 to CLEC Intervenors,
Responses and Related Materials**

Based on the responses from the five CLECs to Staff Data Request No. 2, Staff finds that three of the CLECs do not offer stand-alone basic business line services. Even though one of the three CLECs, Level 3, answered “yes,” it only offers DID service (Staff’s exhibit contains a printout from the link provided in Level 3’s response to Staff Data Request No. 2). The other two CLECs offer stand-alone local telephone services, but one of them (tw) offers the service only in Qwest service territory, and the other (Integra) does not offer the basic stand-alone business line on a monthly basis; rather, it is only available through one, two, or three-year term commitments.
