DOCKET NO. UW-110054

MOTION TO AMEND PROCEDURAL  
SCHEDULE

14 Rainier View Water Company, Inc., hereby respectfully submits this motion to amend the  
15 existing procedural schedule. The request is to extend the date for the filing of opening testimony by  
16 Rainier View from June 16, 2011, to June 23, 2011. Commission Staff has no objection to this request  
17 and requests that the date for filing of response testimony be extended from July 21, 2011, to July 28,  
18 2011. The company has no objection to that request.

19 The basis for the request to the change in the procedural schedule is that the parties have been  
20 actively involved in settlement discussions. The parties have reached an agreement in principle on  
21 certain of the issues. A settlement discussion is scheduled for June 17, 2011, to see if a complete  
22 settlement can be reached. Thus, it may not be necessary to file testimony in the traditional sense at all  
23 and instead, it may be that the proceeding enters into a settlement agreement stage. Allowing the delay  
24 in the schedule will facilitate the resolution of the proceeding and provide efficiencies to all parties.
