Dear Service Provider:

Please provide your current emergency and non-emergency contact information to the Washington Utilities and Transportation Commission (Commission) staff in compliance with WAC 480-120-414. Please verify the Commission has accurate information by December 31, 2022. You may submit the information electronically at efiling.utc.wa.gov/form. Please select *WAC Required Reports* for the Filing Type, select 220749 for the docket number, and attach a cover letter and the information requested. The information can also be submitted by regular mail to Amanda Maxwell, Executive Director and Secretary, Washington Utilities and Transportation Commission, Attention Records Center (Docket UT-220749), P.O. Box 47250, Olympia, WA 98504-7250.

The Commission maintains a list of contacts for registered telecommunications providers in Washington. If you are a service provider and have customers in Washington State, the Commission must know how to reach the correct personnel in both the event of an emergency and non-emergency.
