**NOTICE MODIFYING PROCEDURAL SCHEDULE**

RE: *Washington Utilities and Transportation Commission v. CenturyLink Communications, LLC d/b/a Lumen Technologies Group, Docket UT-240078*

TO ALL PARTIES:

On March 13, 2024, the Washington Utilities and Transportation Commission (Commission) issued a Complaint against CenturyLink Communications, LLC, d/b/a Lumen Technologies Group (CenturyLink).

On April 19, 2024, the Commission entered Order 01, Prehearing Conference Order; Notice of Hearing (PHC Order) which, among other things, scheduled an evidentiary hearing on September 13, 2024.

On May 16, 2024, CenturyLink informed the presiding officer that the parties had conferred and believed that the issues in this matter are appropriate for decision on a paper record alone and that an evidentiary hearing would not be needed.

On May 20, 2024, the Commission issued a notice canceling the evidentiary hearing. The procedural schedule, however, still includes deadlines for filing of cross-examination exhibits, witness lists, and time estimates relating to the evidentiary hearing. Those filings are no longer necessary, and thus that deadline is also canceled.

**THE COMMISSION GIVES NOTICE That the Commission hereby modifies the procedural schedule to remove the September 6, 2024, deadline for filing of cross-examination exhibits, witness lists, and time estimates.**
