Re: Application No. D-75275
San Juan Air Lines, d/b/a Shuttle Express

Docket No. TC-900407
Evergreen Trails, Inc., d/b/a Gray Line of Seattle vs.
San Juan Air Lines, d/b/a Shuttle Express

The Commission is today serving a copy of its order of consolidation and notice of hearing in Application D-75275 and Docket No. TC-900407 on carriers who may be affected by the application.

The hearing initially scheduled upon the application was canceled prior to opening and taking interventions. Inasmuch as affected carriers may intervene at the opening of the hearing, the Commission feels it necessary to serve potentially-affected carriers with a copy of the order and notice of hearing.

Sincerely,

Paul Curl
Secretary
