

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

Docket No. 11F-436T

INTEGRA TELECOM, PAETEC BUSINESS SERVICES AND TW TELECOM OF COLORADO,

Complainants,

v.

QWEST CORPORATION and CENTURYLINK ,

Respondents.

**Qwest/CenturyLink's Notice of Compliance Regarding Postponement of MTG
Implementation**

In Decision No. R11-1201, the Commission granted the motion of Qwest Corporation and CenturyLink, Inc. ("Qwest/CenturyLink") to postpone the hearing and allow rebuttal testimony. In that order, the Commission directed Qwest/CenturyLink to provide a compliance filing confirming that it has postponed the release production date for the MTG system, previously set for December 12, 2011, until no earlier than February 13, 2011. Due to an oversight, Qwest/CenturyLink did not provide the required filing on December 1 as requested, but provides that notice now and apologizes for the oversight. **Exhibit A** contains the November 23, 2011 notice in the Change Management Process ("CMP") that the Release Production Effective Date for MTG would be postponed until February 13, 2012, as agreed.

Respectfully submitted this December 20, 2011.
