WUTC Data Request 92

WUTC DOCKET: UE-230172 & UE-210852

EXHIBIT: RMM-19X

ADMIT W/D REJECT **WUTC Data Request 92**

Decoupling - Please describe the analysis done on the effectiveness of the decoupling mechanism since the Company's proposed modifications to the decoupling mechanism were authorized in Order 18 of Docket UE-152253. Provide any internal documentation showing this analysis including but not limited to internal memorandum, presentations and reports. For any reports, tables or graphs, please also provide the source data for those illustrations.

Response to WUTC Data Request 92

PacifiCorp objects to the extent that this data request assumes an evidentiary standard mandating the creation, retention, and/or production of certain documentation. Without waiving the foregoing objection, PacifiCorp responds and follows:

The Company does not have any specific documentation or analysis on the effectiveness of the decoupling mechanism since the modifications went into effect.
