

Washington
Docket No. UT-111254
Joint CLECs 02-014
December 7, 2011

Party: Joint CLECs

Request No.: 014

Request No. 14: Have you identified any third parties who may be able to provide hardware, software, or support to either maintain MEDIACC or assist in recover and or repair in the event of a MEDIACC failure?

a. If so, identify each such third party and describe the specific tasks that the third party is able to perform:

b. If not, describe all efforts you have taken to identify such third parties, describe the result of such efforts, and provide any documents that evidence, refer or relate to such efforts.

Response:

No

a. n/a

b. CenturyLink QC has not made any efforts to identify such third party vendors.

Respondent:

Renée Albersheim and Cecilia Tank
