Re: Docket No. UE-080416 and UG-080417

Dear Mr. Danner:

On October 20, 2008, Judge Clark sent an email to all parties noting ministerial discrepancies in exhibit numbering in the above mentioned docket. Specifically, the exhibit numbering of William E. Avera and William G. Johnson were noted. Based on the email, we have made the following changes:

1. For William E. Avera's testimony and exhibits, the exhibits identified as "WEA Schedules" that incorrectly started with the numbering WEA-1 have been changed. These schedules now start with WEA-4. Further, the "WEA Schedules" were referred to within the testimony WEA-1T and exhibit WEA-3, and as such, the Company has corrected those documents and enclosed a substitute revised version of the testimony and accompanying exhibit. Please note that only the references to the Schedules were updated; no other changes were made to the testimony or exhibit.
2. For William G. Johnson, Judge Clark noted that there did not appear to be an exhibit WGJ-5 in our initial filing. However, the Company did file this exhibit in the original filing, but missed the insertion of a tab in our filing separating that exhibit from WGJ-4 thereby creating the confusion. Further, the cover sheet for WGJ-5 had an incorrect header. The Company has fixed that cover sheet, and is enclosing that with the original WGJ-5. Please note that WGJ-6, the Supplemental Testimony of William G. Johnson, is correctly numbered.

An original and 15 hardcopies and CD's are enclosed. Please direct any questions related to this filing to Patrick Ehrbar at (509) 495-8620.

Sincerely,

A handwritten signature in cursive script that reads "Kelly Norwood".
