TO ALL PARTIES:

On March 13, 2023, PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp or Company) filed with the Washington Utilities and Transportation Commission (Commission) a Revised Clean Energy Implementation Plan (CEIP). On March 16, 2023, Commission staff filed a letter requesting that the Commission schedule a prehearing conference in this Docket.

On May 5, 2023, the Commission convened a prehearing conference in this matter, and on May 18, 2023, the Commission entered Order 03, Prehearing Conference Order; Notice of Hearing (Order 03).

On May 30, 2023, PacifiCorp filed with the Commission a Motion for Clarification or Review of Order 03. PacifiCorp seeks clarification that it can update its interim targets for the 2022-2025 CEIP compliance period during the Company's November biennial update. If the Commission declines to clarify the Order, PacifiCorp requests that the Commission grant its petition for review of Order 03 and permit the Company to update its interim targets in this proceeding.

By this notice, the Commission informs all parties to this proceeding that it construes PacifiCorp's motion as a petition for review of an interlocutory order (Petition) filed pursuant to Washington

Administrative Code (WAC) 480-07-810(3) and establishes a deadline for parties to file a response.¹ Motions for clarification may only be filed in response to a final Commission order.²

THE COMMISSION GIVES NOTICE That any party may respond to PacifiCorp's Petition by filing a written response with the Commission no later than June 12, 2023, at 5 p.m.

Executive Director and Secretary

¹ WAC 480-07-810(3)(b) provides that parties may file a response to a petition for review of an interlocutory order within 10 days after the petitioner files a petition unless the Commission establishes a different deadline.

² See WAC 480-07-835, which states that motions for clarification are appropriate to ensure parties know their rights and responsibilities under the terms of a final order.
