## Small/Medium Business

Achieve Broadband high-speed Internet access to your office in about 10 days.

### Welcome to Internet Anywhere

Business class broadband Internet satellite systems are easy to install and even easier to use. No matter where you're located, broadband Internet is available to your organization for a low fixed monthly price.

- ❑ Broadband anywhere you can see the southern sky
- ❑ Download speeds from 400 to 1500 Kbps
- ❑ Upload Speed from 50 to 500 Kbps
- ❑ Inexpensive fixed monthly rates starting at \$99 a month
- ❑ Satellite Telephone Service - Call anyone over your dish
- ❑ 24x7 in-house technical support desk - Always free
- ❑ Instant networking of multiple computers
- ❑ Installers nationwide
- ❑ Be broadband in about 10 business days
- ❑ Financing available

\* Works anywhere you have an unobstructed view of the southern sky.
