BACKGROUND

1 On April 5, 2001, the Commission received a petition from Brem-Air Disposal, Inc., G-38, (Brem-Air) requesting the Commission grant an exemption to the provisions WAC 480-70-071(1)(b) that require solid waste collection companies to file an annual report of financial and operational activity by May 1. The petition requests Brem-Air be granted an extension until July 1, 2001, to file the company's 2000 annual report. The petition was accompanied by a check remitting to the Commission estimated 2001 regulatory fees.

2 WAC 480-70-071(1)(c) provides that the Commission may grant an extension of time allowing the company to file its annual report after the May due date if the Commission receives a request for extension by May 1.

FINDINGS

3 The Commissioners have reviewed the petition and have been fully advised in the matter. They believe granting the petition is in the public interest, and direct the Secretary to issue the Order.
