BACKGROUND

1 By petition filed June 25, 2001, in Docket UT-010928, Supreme Telecom Systems, Inc., (Supreme Telecom) seeks registration as a telecommunications company and classification as a competitive telecommunications company pursuant to RCW 80.36.350 and RCW80.36.320. Supreme Telecom also filed an initial price list. Supreme Telecom requested an extension of time from the Commission by letter dated July 5, 2001, to finalize its application and petition.

DISCUSSION

2 Supreme Telecom proposes to register with the Commission as a telecommunications company to offer prepackaged telecommunications services to debit card distributors. Supreme Telecom states that customers have readily available equivalent alternatives and that there are no captive customers of the Company's services.

3 Supreme Telecom is a Texas corporation, headquartered in Fort Worth, Texas, and is owned by numerous individuals. Rates, terms, and conditions set forth in the initial price list are structured similarly to rates filed by other prepackaged interexchange carriers for calls placed in the relevant market.

4 Supreme Telecom has provided information showing that it meets the requirements of RCW 80.36.350.

5 Applicant does not propose to collect deposits from customers, or provide alternate operator services, local exchange services, or prepaid calling services.

6 In conjunction with classification, the Company is seeking waiver of:

7 Rules invoked include WAC 480-120-022, WAC 480-120-023, WAC 480-120-024, and WAC 480-120-025. Statutes invoked include RCW 80.36.320 and RCW 80.36.350. The ultimate issues are whether Supreme Telecom should be registered as a telecommunications company, whether it should be classified as a competitive telecommunications company, and the extent to which it should be relieved of regulatory requirements to which it would otherwise be subject.

8 This matter was brought before the Commission at its regularly scheduled open meeting on October 24, 2001. The Commissioners, having been fully advised in the matter, and having determined the following order to be consistent with the public interest, directed the Secretary to enter the following order and related provisions.
